

# MATERIAL SAFETY DATA SHEET

Pg. 1 of 2

## SECTION I

|   |  |
|---|--|
| Manufacturer's Name: <b>PURETEK CORPORATION</b>         | Emergency Telephone No.: 818-898-2109          |
| Address (number, Street, City, State and ZIP Code)      | Telephone Number for Information: 818-898-2109 |
| 1145-D Arroyo Avenue,                                   | Date Prepared: February 18, 2011               |
| San Fernando, CA, 91340                                 | Signature of Preparer: (optional)              |
| Trade Name: <b>MCKESSON ANTIMICROBIAL BODY CLEANSER</b> |  |

## SECTION II- Hazardous Ingredients/Identity Information

| Hazardous Components (Specific Chemical Identity; Common Name (s)) | OSHA PEL | ACGIH TLV | Other Limits Recommended | % (optional) |
|--|----------|-----------|--------------------------|--------------|
| Not Applicable   |          |           |                          |              |

## SECTION III- Physical/Chemical Characteristics

|   |                                     |
|---|-------------------------------------|
| Appearance: Clear to very Slightly Hazy, Non-Viscous Liquid | Vapor Pressure: N/A                 |
| Odor: Lavender  | Evaporation Rate: Slower than Ether |
| Boiling Point: >98°C  | Melting Point: Not Applicable       |
| Specific Gravity @ 25°C: 0.99 - 1.02                        |                                     |
| Solubility in Water: Soluble                                |                                     |
| Vapor Density: Heavier than air                             |                                     |

## SECTION IV- Fire and Explosion Hazard Data

|   |                     |                     |
|---|---------------------|---------------------|
| Flash Point (Method Used): Not Determined   | LEL: Not Determined | UEL: Not Determined |
| Extinguishing Media: CO <sub>2</sub> , Foam, Water Fog  |                     |                     |
| Special Fire Fighting Procedures: Cool fire-exposed containers with water spray. Must wear NIOSH approved self-contained breathing apparatus. |                     |                     |
| Unusual Fire and Explosion Hazards: Not Applicable  |                     |                     |

## SECTION V – Reactivity Data

|  |                                     |                   |                                 |
|--|-------------------------------------|-------------------|---------------------------------|
| Stability : Unstable : N/A<br>Stable: ✓  | Conditions to Avoid: Not Determined |                   |                                 |
| Incompatibility (Materials to Avoid): Strong oxidizing agents and heat.                        |                                     |                   |                                 |
| Hazardous Decomposition or Byproducts: Combustion may produce Carbon Monoxide, Carbon Dioxide. |                                     |                   |                                 |
| Hazardous Polymerization:  | May Occur: N/A                      | Will Not Occur: ✓ | Conditions to Avoid: None Known |

NOTE: Blank spaces are not permitted. If an item is not applicable or no information is available, please indicate this in the space.

# MATERIAL SAFETY DATA SHEET

## SECTION VI – Health Hazard Data

|   |   |  |                                   |
|---|---|--|-----------------------------------|
| Route(s) of Entry:<br>Skin  | Inhalation?<br>Not considered an entry route under normal use | Skin?<br>Not considered as skin irritant | Ingestion?<br>Not applicable      |
| Health Hazards (Acute and Chronic): Not Determined.   |   |  |                                   |
| Carcinogenicity:<br>Not Applicable  | NTP?<br>Not Applicable  | IARC Monographs?<br>Not Applicable       | OSHA Regulated?<br>Not Applicable |
| Signs and Symptoms of Exposure: Not Applicable  |   |  |                                   |
| Medical Conditions Generally Aggravated by Exposure: Not Applicable   |   |  |                                   |
| Emergency and First Aid Procedures: If swallowed, give 3-4 glasses of water. Contact a doctor or Poison Control Center immediately. |   |  |                                   |

## SECTION VII - Precautions for Safe Handling and Use

|   |
|---|
| Steps to Be Taken in Case Material is Released or Spilled: Caution: Floors may become slippery.   |
| Wear appropriate protective equipment. Dike and contain spill with inert materials (sand, etc.). Keep spill waste disposal method out of sewers and open bodies of water. |
| Waste Disposal Method: This material is not classified as an equitable hazardous waste. Use methods consistent with Federal, State and Local Regulations.                 |
| Precautions to Be taken in Handling and Storing: Store in cool, dry place.  |
| Other Precautions: Keep containers closed until used.   |

## Section VIII – Control Measures

|  |                                      |                         |
|--|--------------------------------------|-------------------------|
| Respiratory Protection (Specify Type): Not Applicable  |                                      |                         |
| Ventilation: Not Applicable  | Local Exhaust: Not Applicable        | Special: Not Applicable |
|  | Mechanical (General): Not Applicable | Other: Not Applicable   |
| Eye Contact: Flush with adequate amount of cool water for at least 15 minutes. Seek medical attention if irritation persists.                            |                                      |                         |
| Protective Gloves: Not Applicable  |                                      |                         |
| Other Protective Clothing or Equipment: Not Required   |                                      |                         |
| Work/Hygienic Practices: Observe normal Hygienic practices. Wash hands after product use or contact. Keep product separated from all food and beverages. |                                      |                         |

TRADE NAME: MCKESSON ANTIMICROBIAL BODY CLEANSER
