Formula: B908

#### **SECTION 6: Accidental Release Measures**

Small Spill - Caution, slip hazard. Wipe up small releases with a dry absorbent cloth or other absorbent material.

**Large Spill** – Absorb liquid with vermiculite, absorbent cloth, or other absorbent material. Prevent material from entering sewers or drains. Ventilate area and block traffic. Transfer contaminated material into suitable container for proper disposal.

#### **SECTION 7: Handling and Storage**

**Handling -** Do not allow towel contact with eyes. Wash thoroughly after handling.

**Storage** – Follow label directions carefully. Keep out of reach of children Store in a cool well ventilated area. Keep container tightly sealed when not in use. Do not contaminate water, food or feed by use or storage.

## **SECTION 8: Exposure Controls / Personal Protection**

**Eye Protection** – Not usually necessary.

Skin Protection – Not usually necessary.

Respiratory Protections – Not usually necessary. Use with adequate ventilation. Use NIOSH/MSHA approved respirator if PELs or TLVs are exceeded.

Engineering Controls – Ventilation not usually necessary but should be provided in the event of overexposure.

## **SECTION 9: Physical and Chemical Properties**

Appearance and Odor:	Clear colorless liquid with an alcohol - floral scent saturated on a towel.
PH	$10.3 \pm 0.5$
Specific Gravity (70°F)	0.998
<b>Boiling Point:</b>	212° F
Melting Point:	No Data
Evaporation Rate (Butyl Acetate = 1)	No Data
Vapor Pressure (mm-Hg @ 70°F)	No Data
Vapor Density (AIR = 1)	>1
Solubility in Water	Complete
Volatile Organic Compounds (VOCs)	39 grams per liter or 3.9% by weight VOCs

# **SECTION 10: Stability and Reactivity**

Hazardous Polymerization – This product will not undergo hazardous polymerization.

**Hazardous Decomposition or Byproducts** – Carbon dioxide, carbon monoxide, smoke and soot.

Chemical Stability - Stable

Incompatibility (Materials to Avoid) - Strong oxidizers.

# **SECTION 11: Toxicological Information**

No Data

## **SECTION 12: Ecological Information**

No Data

## **SECTION 13: Disposal Consideration**

Disposal Method - Dispose of in accordance with all applicable local, state, and federal regulations.

**RCRA Waste Information** – If this product becomes a waste, it would not be a hazardous waste as defined by RCRA (40 CFR 261). However the waste should be properly characterized to evaluate whether its composition has been modified prior to disposal.

Formula: B908

## **SECTION 14: Transport Information**

#### **DOT Information – 49 CFR 172.101**

Proper Shipping Description: Not Regulated

Hazard Class: None

**Identification Number:** None

Packing Group: None

## Water Transportation:

**Proper Shipping Description:** Not Regulated

Hazard Class: None

**Identification Number:** None

Packing Group: None

## Air Transportation:

Proper Shipping Description: Not Regulated

Hazard Class: None

**Identification Number:** None

Packing Group: None

Marine Pollutants: None

## **SECTION 15: Regulatory Information**

## **US Federal Regulations:**

#### TSCA (Toxic Substances Control Act) Status

All ingredients are on the TSCA inventory or are not required to be listed on the TSCA inventory.

## **CERCLA RQ – 40 CFR 302.4 (a)**

None Listed

## **SARA 313 Components – 40 CFR 372.65**

2-Butoxyethanol (CAS: 111-76-2) – 2.9%

## **State and Local Regulations:**

# California Proposition 65

None

#### **Section 16: Additional Information**

**Date Prepared:** 

Rev. 2 - 09/05/06

Rev. 1 - 04/11/06

WARNING! The use of this product is beyond the control of the manufacturer; therefore, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The user must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials. The manufacturer warrants only that this product meets the manufacturer's specifications for such product. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AS TO DESCRIPTION, QUALITY, MERCHANTABILITY. FITNESS FOR ANY PARTICULAR PURPOSE, PRODUCTIVENESS, OR ANY OTHER MATTER, OF THIS PRODUCT. THE MANUFACTURER SHALL BE IN NO WAY RESPONSIBLE FOR THE IMPROPER USE OF THIS PRODUCT. The sole and exclusive remedy against the manufacturer for breach of warranty shall be reimbursement of the purchase price of the product in the event that a defective condition of the product shall be found to exist. NO OTHER REMEDY (INCLUDING BUT NOT LIMITED TO INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR INJURY TO PERSON OR PROPERTY OR ANY OTHER INCIDENTAL OR CONSEQUENTIAL LOSS) SHALL BE AVAILABLE.
