THERA[™]
MADE WITH SAFFLEX[™]

THERAPY FOR THE SKIN

Non-allergenic and Non-sensitizing

INTRODUCING
THERA™ ADVANCED SKIN CARE

THERA™ is a comprehensive solution for hypersensitive and compromised skin intended for use in critical care or home settings. Infused with SAFFLEX™, a proprietary blend of nourishing vitamins and minerals, along with Safflower Seed Oil and Ginger Root Extract and a refreshing Lavender Ylang fragrance, THERA™ is as practical for everyday use as it is for critical care settings.

The THERA™ product line includes:

- ANTIMICROBIAL BODY CLEANSER
- MOISTURIZING BODY CLEANSER
- FOAMING BODY CLEANSER
- DIMETHICONE BODY SHIELD
- MOISTURIZING BODY SHIELD
- CALAZINC BODY SHIELD
- MOISTURIZING BODY CREAM
- ANTIFUNGAL BODY POWDER

THERA™ Advanced Skin Care therapy's specially-selected group of eight products works synergistically in a five-action system that soothes, treats, moisturizes, nourishes and protects. THERA™ Advanced Skin Care therapy has been specially formulated for people with skin issues, skin irritation, diaper rash and dry, cracked skin. The entire THERA™ line of products interact synergistically to cleanse, moisturize, protect and treat the skin.

FOR CLINICAL SUPPORT, CALL 877.611.0081 BETWEEN 8 A.M. AND 8 P.M. EST, MONDAY – FRIDAY.

THERA™ CLINICAL SUPPORT

McKesson offers a toll-free support line for answers to questions about advanced skin and wound care products. Our line is managed by Board-Certified Wound, Ostomy Nurses. Call 877.611.0081 for clinical support.

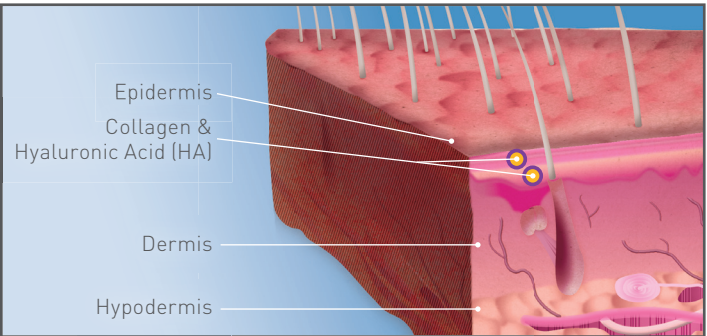

Ask your McKesson Medical-Surgical Account Manager about face-to-face, in-servicing support and educational opportunities. Our Board-Certified Wound, Ostomy, Continence Nurses are ready to help you today.

All of our clinical support is provided to you at no charge with the purchase of THERA™ Advanced Skin Care products.

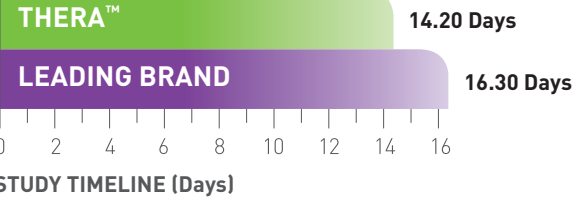

THERA™ CLINICAL BENEFITS

THERA™ PERFORMS BETTER¹

THERA™ has been clinically proven to perform better. Epidermal turnover time was improved by 2.1 days when compared to the leading brand.

EPIDERMAL TURNOVER TIME (Days)

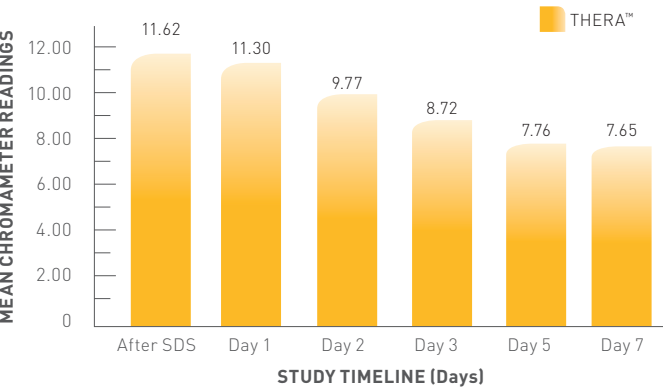

THERA™ HYDRATES THE SKIN

Hyaluronic Acid moisturizes and helps improve the appearance of the skin. Hyaluronic Acid is found in all THERA™ products.

THERA™ IS NON-IRRITATING²

The combination of Bisabolol and Ginger Extract reduce the appearance of redness caused by skin irritation. The chart to the right shows a 16% reduction in Erythema³ in 2 days and 33% after 5 days when using a combination of Bisabolol and Ginger Extract. Bisabolol and Ginger Extract are found in all THERA™ products.

ERYTHEMA REDUCTION AFTER SDS TREATMENT
Synergistic Effect Of Bisabolo And Ginger Extract

¹ Based on a study conducted on the THERA™ Moisturizing Body Cream and equivalent product from the leading brand.
² Based on an efficacy test conducted on the combination of Bisabolol and Ginger Extract found in all THERA™ products.
³ Erythema is a reddening of the skin as a result of irritation.

FOR MORE INFORMATION, CONTACT YOUR MCKESSON MEDICAL-SURGICAL ACCOUNT MANAGER.

FOR CLINICAL SUPPORT, CALL 877.611.0081 BETWEEN 8 A.M. AND 8 P.M. EST, MONDAY – FRIDAY.

SAFFLEX™ VITAMIN COMPOUND

Each product in the THERA™ Advanced Skin Care line is enriched with an all-in-one proprietary blend of vitamins called SAFFLEX™. This vitamin compound provides skin benefits as a protector, fortifier, energizer, moisturizer, stabilizer and invigorator.

VITAMIN E ACETATE (The Protector)

– Moisturizes the skin with repeated applications

VITAMIN C (The Fortifier)

– Needed for a healthy body and youthful-looking skin

VITAMIN B3 (The Energizer)

– Helps moisturize skin

VITAMIN B5 (The Moisturizer)

– Helps soothe minor skin irritations

VITAMIN B6 (The Stabilizer)

– Essential for healthy skin

SAFFLOWER SEED OIL & GINGER ROOT EXTRACT (The Invigorator)

– Provides a rejuvenated appearance, especially for dry skin

THERA™ is setting a new standard in skin care.
Distributed exclusively by McKesson.

BODY CLEANSERS

THERA™ ANTIMICROBIAL BODY CLEANSER

Reduces and Inhibits Bacterial Growth

Provides antiseptic protection by reducing and inhibiting bacterial growth. This mild, no-rinse topical cleanser contains the antimicrobial, Benzalkonium Chloride to kill germs and Hyaluronic Acid to hydrate and help improve the appearance of the skin.

Active Ingredients

Benzalkonium Chloride 0.13%.....Antiseptic

Directions for Use

Spray soiled and/or odorous (body and/or perineal) areas. Gently wipe clean. Repeat as necessary until all soils are removed and skin is clean. Pat dry. No rinsing necessary. Apply a protectant cream or paste as necessary.

Clinical Information

- Mild, no-rinse cleanser that provides antiseptic protection to kill germs while leaving the skin nourished and moisturized
- Benzalkonium Chloride (0.13%) is used as an antimicrobial to kill germs
- Hyaluronic Acid is used to hydrate and help improve the appearance of the skin

BODY CLEANSERS

THERA™ MOISTURIZING BODY CLEANSER

Protects, Cleanses and Moisturizes the Skin

For the face, body and perineal area, this mild, no-rinse lotion cleanses, moisturizes, nourishes and protects the skin. With emollient-like hydration to relieve and protect dry, cracked skin, this cleanser soothes skin and provides temporary relief to chapped or cracked skin.

Active Ingredients

Dimethicone 1.75%.....Skin Protectant

Directions for Use

Apply cleanser to damp cloth or to skin/perineal area and then gently wipe clean. No rinsing necessary. Apply as needed. Apply a protectant cream as necessary.

Clinical Information

- Mild, no-rinse cleansing lotion with emollient-like hydration to relieve and protect dry, cracked skin. Leaves the skin nourished and moisturized
- Dimethicone (1.75%) is used as a skin protectant that soothes and smooths skin
- Hyaluronic Acid is used to hydrate and help improve the appearance of the skin

BODY CLEANSERS

THERA™ FOAMING BODY CLEANSER

No-Rinse Formula for Hair and Body

This mild, head-to-toe, no-rinse cleansing wash exfoliates dry, cracked skin.

Directions for Use

Spray soiled and/or odorous (body and/or perineal) areas, then gently wipe clean with a damp cloth. Follow with an application of a skin protectant cream or paste. For hair cleansing, moisten all hair strands, working it in gently and towel dry. No rinsing required. Apply as needed.

Clinical Information

- Mild, no-rinse cleansing wash that exfoliates dry, cracked skin
- Salicylic Acid is a gentle exfoliating agent to renew and soften skin
- Aloe Vera Leaf Extract is a natural plant extract traditionally known for its soothing, moisturizing and nourishing properties

BODY POWDER

THERA™ ANTIFUNGAL BODY POWDER

Treatment for Fungal Skin Irritations

Used for the treatment of athlete's foot (tinea pedis), jock itch (tinea cruris) and ringworm (tinea corporis). This powder relieves itching, scaling, cracking, burning, redness, soreness, irritation, discomfort and chafing.

Active Ingredients

Miconazole Nitrate 2.0%.....Antifungal

Directions for Use

Clean the affected area and dry thoroughly. Apply a thin layer over affected area twice daily (morning and night) or as directed by a doctor. Supervise children in the use of this product. For athlete's foot: Pay special attention to spaces between the toes; wear well-fitting, ventilated shoes and change shoes and socks at least once daily. For athlete's foot and ring worm, use daily for 4 weeks. For jock itch, use daily for 2 weeks. If condition persists longer, consult a doctor. This product is not effective on the scalp or nails.

Clinical Information

- Helps treat and prevent skin irritation due to fungus and skin infections. Relieves associated symptoms such as skin irritations, itching, burning, redness, soreness, scaling and cracking
- Miconazole Nitrate (2.0%) fights fungal infections
