**1. Identification of the product and of the company**

<b>PRODUCT NAME</b>	This safety data sheet is valid for Comfeel Plus Contour Dressing
<b>PRODUCT CODE(s)</b>	3283; also valid for 3280
<b>Manufacturer</b>	<b>Contact person</b>
Coleplast A/S	Product Manager
Holtevej 1	1-800-788-0293
2350 Humlebæk	
Denmark	
+45 - 49 11 11 11	
[telephone in Denmark during working hours 8.30 a.m. - 4.30 p.m.]	

**2. Composition****2.1 OSHA Regulatory Status**

This product does not contain substances classified as hazardous under OSHA regulations.

**2.2 Other components:**

	CAS no.:
Calcium alginate	-
Sodium Carboxymethylcellulose	9004-32-4
Elastomer	25038-32-8
Diethyl adipate	103-23-1
Hydrogenated petroleum resin	-
Polyurethane film	-
Polyethylene terephthalate	-

**3. Hazards identification**

Product poses no immediate hazard, but can give rise to toxic fumes in a fire.

**4. First aid measures**

<b>Skin contact</b>	This product is intended to be in contact with the skin when used as directed in the instructions for use.
<b>Eye contact</b>	No special measures.
<b>Inhalation</b>	Not relevant.
<b>Ingestion</b>	Non-toxic. If symptoms occur seek medical advice. (see section 11).

**5. Fire fighting measures**

<b>Risks</b>	Smoke, soot, CO/CO <sub>2</sub> , and other toxic fumes.
<b>Extinguishing media</b>	Water, carbon dioxide or foam.
<b>Protective measures</b>	Keep personnel removed from and upwind of fire. Wear full fire fighting turnout gear and respiratory protection.

**6. Accidental release measures**

<b>Protection of persons</b>	No specific measures.
<b>Protection of environment</b>	No specific measures.
<b>Clean-up operation</b>	No specific measures.

**7. Handling and storage**

**Handling**  
 See instructions for use.  
**Storage**  
 Store at room temperatures.

### 8. Exposure controls/personal protection

Eye/face protection	None required
Skin protection	None required
Respiratory protection	None required

ACGIH has not recommended occupational exposure limits for any of the product ingredients.  
OSHA's regulatory authority has not established an occupational exposure limit for any of the product ingredients.

## 9. Physical and chemical properties

Appearance	Wound dressing
Flame point	Not relevant
Boiling point	Not relevant
Solubility	Not relevant
Odor	Slight odor

## 10. Stability and reactivity

**Stability and reactivity**  
The product is stable under ambient conditions. Heating may produce toxic fumes.

## 11. Toxicological Information

**Toxicological information**  
Toxicological data have not been determined specifically for this product. However, based on toxicological knowledge about the ingredients the product is regarded as non-toxic.  
For further information please contact Coloplast A/S at the telephone number found in section 1.

## 12. Ecological information

Ecotoxicological data have not been determined specifically for this product. Based on toxicity data on the ingredients no ecotoxicological effects are expected. The product is not biodegradable.  
For further information please contact Coloplast A/S at the telephone number found in section 1.

### 13. Disposal considerations

If this product as supplied becomes a waste, it does not meet the criteria of a hazardous waste as defined under the Resource Conservation and Recovery Act (RCRA) 40CFR 261.

The recommended disposal technology is incineration at any EPA approved facility. The disposal should always be in compliance with Federal, State and local regulations.

#### 14. Transport information

UN no.	None
ADR	None
IMDG	None

## 15. Regulatory Information

**Regulatory Information**  
This product is a medical device and is regulated under the Federal Food Drug and Cosmetic Act. This MSDS is supplied as an additional service. Medical devices do not require an MSDS for hazard communication as stated in 29 CFR 1910.1200.

United States (TSCA)  
Canada (DSL)
