† This glove meets the emergency medical glove requirements of NFPA 1999, Standard on Protective Clothing for Emergency Medical Operations, 1997 Edition. Classified by Underwriters Laboratories, Inc. in accordance with NFPA 1999 (1997 Edition).

EC = Extended cuff

The following disclaimers apply to the products on this panel only:

PROTEIN CONTENT: Our latex gloves contain 50 micrograms or less of total water extractable protein per gram.

CAUTION: Safe use of this glove by or on latex sensitized individuals has not been established.

CAUTION: THIS PRODUCT CONTAINS NATURAL RUBBER LATEX WHICH MAY CAUSE ALLERGIC REACTIONS.

MODULON™ EC—POWDER-FREE EXTENDED CUFF LATEX EXAM GLOVES†

- High performing tensile strength and low modulus provide robust protection and enduring comfort
- Gradient dipping provides consistent thickness in fingertip, palm and cuff
- Exceeds current ASTM standards for glove thickness
- 12" beaded, extended cuff increases protection area beyond the wrist
- Textured fingers enhance grip in wet or dry conditions
- Ivory color

Description/Quantity	Size	McKesson Reorder No.
