Section I - Product Identification

Product Name: Skin Sake Booty Goo Diaper Rash Ointment

Description: This product is an OTC product intended to be used by consumers in a manner consistent with the labeling on the unit.

Manufacturer's Name: Skin Sake, LLC
 Company Address: P.O. Box 390
 Hamburg, AR 71646
 Company Phone Number: 1-888-853-5544

I - 701644 C-8372900001
 I - 701647 C-8372900151

Section II - Hazardous Ingredients

None of the ingredients in this product are materials that are hazardous as defined in 29 CFR §1910.1200.

According to federal law, certain products and chemicals are exempt from MSDS requirements. "Any food, food additive, color additive, drug, cosmetic, or medical or veterinary device or product, including materials intended for use as ingredients in such products (e.g. flavors and fragrances), as such terms are defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) or the Virus-Serum-Toxin Act of 1913 (21 U.S.C. 151 et seq.), and regulations issued under those Acts, when they are subject to the labeling requirements under those Acts by either the Food and Drug Administration or the Department of Agriculture;"

Section III - Physical Data

Appearance: Thick, light tan, paste
 Odor: Slight cinnamon
 Specific Gravity: 0.84 -0.89
 Solubility in Water: None
 Vapor Pressure: Not Determined – believed to be less than water
 Evaporation Rate: Slower than n-Butyl Acetate

Section IV – Fire, Explosion and Reactivity Hazard Data

Flash Point: Approximately 400° F
 Extinguishing Media: Use dry chemicals, CO2 Foam.
 Unusual Fire Explosion Hazard: None
 Special Fire Fighting Procedures: Wear self contained breathing equipment.
 Product Stability: Stable
 Chemical Incompatibility: Strong Oxidizers
 Hazardous Decomposition Products: Carbon Monoxide
 Hazardous Polymerization: Will not occur

Section V - Health Hazard Data

This product is labeled for individual sale to consumers. When label instructions are followed, no adverse health hazards are expected. Normal, prudent behavior will protect individuals. Any unusual exposures should be referred to a physician or medical expert.

Section VI - Spill and Disposal Procedures

In case of spill or leak: This material is a cream under ambient conditions. It may be scooped or shoveled. It will not flow rapidly.

Waste disposal method: In accordance with local, state and federal standards. Typically, this material is acceptable as non-hazardous solid waste.

Section VII - Precautions for Safe Handling and Use

Protective Clothing	None required under normal use conditions
Eye Protection	Avoid eye contact. No special protection required
Respiratory Protection:	None required under normal use conditions
Ventilation:	Normal ventilation should be adequate for all cases

Section VIII - Handling and Storage Precautions

No special handling or storage precautions are necessary. This material should be stored between 59°F and 86°F.

Section IX - Additional Information

The material in this Material Safety Data Sheet is believed to be reliable, but is provided without warranty regarding its accuracy. Users must determine safe conditions for use and assume liability for any loss, injury, damage or expense resulting from the use of this product.
