Claritin Tablets (EX000001)

These products are exempt from [Material] Safety Data Sheet requirements:

Claritin Recitabs
Claritin-D
Claritin D-12 Hr
Claritin D-24 Hr
Claritin Hives
Claritin Axcleris Tablets
Claritin Extra Coated Tablets

The following regional exemptions apply:

United States:

According to the OSHA Hazard Communication Standard [29 CFR § 1910.1200 (b) (6) (vii)], an MSDS is not required for any drug when it is in the solid, final form (e.g. tablets or pills).

European Union:

According to the European Union Commission Directive 2001/58/EC of 27 July 2001, as it relates to Directive 1999/45/EC [Article 1.5.a], an SDS is not required for medicinal products in the finished state, intended for the final user.

Canada:

According to the WHMIS Hazardous Product Act [Part II Controlled Products 12.b], an MSDS is not required for any drug within the meaning of the *Food and Drugs Act*.

If you have additional MSDS requests, please call the Schering-Plough MSDS Help Line at 800-770-8878 (U.S. and Canada) or (908) 629-3657 (worldwide). Email MSDS requests to spmsds@spcorp.com. MSDSs for Schering-Plough marketed products may be also obtained at www.schering-ploughmsds.com.

Inquiries about human exposure events for Schering-Plough Claritin products only should be directed to the Cincinnati Drug & Poison Information Center (513) 636-5111.

Thank you for your cooperation.

Sincerely,

Global Safety & Environmental Affairs
Schering-Plough Corporation
