

# PRODUCT SPECIFICATIONS - AM4000a

## SAFETY GRILL

Protection against large debris

## POWERFUL 1 HP MOTOR

Industry leading performance

Quiet and durable design

## 3 WAY POSITIONING

Ground level  
45 Degrees  
90 Degrees

## 25' CABLE

Electric cable length

## 3 SPEED AIR FLOW

Adjustable air flow in 3 different speed settings

## HIGH IMPACT RESISTANT HOUSING

## HIGH AIR VELOCITY

Industry leading 4000 CFMs

Ideal for cooling, carpet drying, and other air moving applications

## AM4000a

### FEATURES

- Multi-Functional Air Dryer
- Ideal for Using at Construction/ Warehouse/ Worksite/ Workshop/ Advertising
- 3 Way positioning - Ground/ 45 Degrees/ 90 Degrees
- High Impact resistant Roto Molded Polyethylene Plastic Housing
