Help Get Relief from Irritated, Itchy Eyes with Eye Itch Relief Drops!

Powerful 12 hour relief of irritated, itchy eyes caused by allergies. Compare to the Zaditor® from Novartis.
 OTC110051 Eye Itch Relief
 5 mL

Softlips® Features Premium, Organic Ingredients to Help Provide a Silky-Smooth, Eco-friendly Lip Conditioner for Softer, Healthier Lips

Softlips Pure Organic Lip Conditioner is 100% natural and USDA certified organic. Softlips helps protect chapped, cracked and wind-burned lips. Plus, it has SPF protection to screen out harmful UV rays to help protect against lip damage. Free of synthetic chemicals, Softlips Pure is a good choice for chemically sensitive individuals.
 OTC012101 Softlips, **Petroleum Free**,
 Honeydew, 12/bx

Low Dose Aspirin Helps Relieve Aches & Pains

Each enteric coated tablet contains 81mg of aspirin, the dose that most doctors recommend for daily aspirin regimens.** Used for the temporary relief of minor aches and pains or other therapy as recommended by your doctor. Comes with the new easy-open cap.
 **ask your doctor before taking this product on a regular basis.
 OTC44003 81mg Enteric Coated Aspirin,
 300/bottle

Rapid Influenza A & B Tests

This Influenza A & B Test simplifies rapid influenza testing. The easiest flu test on the market just got easier with accurate differentiation between influenza A and influenza B using one simple step on one test. Now you can focus on the results and treating the patient, not running the test.

Influenza A & B Rapid Tests (nose swabs)
 OTC416110 CLIA Waived 10 kits per box
 OTC416022 CLIA Waived 22 kits per box
 OTC416000 Non-CLIA Waived
 22 kits per box

Treat Heartburn with Omeprazole!

Omeprazole tablets are used to treat frequent heartburn that occurs two or more times per week. One pill daily treats frequent heartburn for up to 24 hours when taken as part of a 14-day treatment. Omeprazole is not intended for immediate relief of heartburn. Compare to Prilosec OTC®.

OTC8646 Omeprazole Tablets,
20 mg, 42/bx

Nicotine Patches

This Nicotine Transdermal System delivers a specified dose of nicotine over a 24 hour period. Reduces withdrawal symptoms, including nicotine cravings, associated with quitting smoking. Each Step is sold separately and comes with a compact disc, self help guide and disposal tray. For people that smoke more than 10 cigarettes per day, begin with Step 1. For people that smoke 10 or less cigarettes per day, begin with Step 2. Compare to the active ingredients in NicoDerm® CQ.

OTC512414	7mg, Step 3, 14/box

Help Stop Smoking with Nicotine Gum **NEW!**

This special gum is similar to the nicotine patch in that it is classified as a nicotine replacement therapy providing a controlled release of nicotine through the membrane of your mouth throughout the day.

By chewing nicotine gum you are reducing the nicotine cravings and withdrawal symptoms associated with quitting smoking¹. Research has shown that the use of this gum will double your chances of stopping smoking compared with going cold turkey or using willpower alone¹.

The DogGone Opener® and PurrFec Opener® are Great for Opening Product Packaging .

Easy, safe, and quick to use, they fit comfortably in the palm of the user's hand. Designed to look like a cat and dog, they have a magnet for hanging on the refrigerator for convenient storage and quick access. These multi-purpose tools break anti-contamination seals, grip and twist child-lock caps, remove cotton balls, split pills, and open pull-tabs. Design and functionality make these openers a "must-have" for a growing demographic.

Now comes in a counter top display!

Medline Over the Counter Merchandising Solutions

Medline recognizes that many HME providers, as well as nursing homes and assisted living centers, want to enhance cash sales. Medline's OTC Merchandising Solutions can help you achieve these sales through our retail program. The program is designed to help increase revenues within your facility. Based on research, Medline has chosen the top items within four categories of OTC products that best fit the needs of consumers. You can choose from the following categories: Cough, Cold, and Allergy, Laxatives/Antacids, Vitamins, and Pain Relief. We have designed a display to house these items that comes prefilled and allows for an easy set up. To receive the Medline OTC display for FREE, call your Medline Sales Representative for more details. They will be able to get you started today.

We reserve the right to correct any errors that may occur within this catalog.
