

CHARGING CARTS

32 LAPTOP / CHROMEBOOK CHARGING CART WITH TIMER

Make the best choice for your classroom or office with Luxor's 32 Laptop/Chromebook Charging Cart with Timer. This durable and energy efficient cart includes a timer that alternates between two 16-outlet power strips, so you can charge in stages without overloading circuits or blowing a fuse. When in transit, laptops move from one room to the next with sturdy 4" non-marring casters. Additionally, devices remain safely in place while resting in between 1.5" rubber-coated steel dividers. When not in use, securely store the devices by locking the two key-lock doors. Eliminate the unnecessary hassle of charging and storing multiple devices with this dependable laptop charging cart.
