

→ simplehuman® slim open can - 50L - brushed

I'm always open: An open can like this is a great solution for busy, high-traffic areas. It's always open so there's no lid to fuss with - plus it's got a really high capacity, so it holds more with less frequent bag changes.

- open top design: Great for high-traffic areas, the lid has an open design so it's quick and easy to access.
- large capacity: Ideal for large families or busy households.
- lift-off lid: Lid lifts off easily for a quick bag change.
- hide excess bag: Top cover extends to hide messy bag overhang.
- convenient side handles: Just grab the side handles to move the can.
- slim, space-saving shape: Designed to make the most of tight spaces.
- sturdy, non-skid base: Non-skid base has rubber pads that are gentle on floors and keep the can steady.
- brushed stainless steel
