**Material Safety Data Sheet** 

## 8. Exposure Controls/Personal Protection

**Engineering Controls** The use of local ventilation is recommended

**Personal protection**No special skin protection required. Wash skin if irritation is experienced.<br/>Eye protection is recommended

#### 9. Physical and Chemical Properties

Physical State	Liquid
Appearance	Assorted colored liquids
Color	Various colors
Odor	Slight tempera paint type odor
рН	No data
Specific gravity	No data
Boiling point	No data
Freezing/melting point	No data
<b>Evaporation rate</b>	No data
Solubility	No data
Volatility	No data

## 10. Stability and Reactivity

General	This product is stable and hazardous polymerization will not occur	
Incompatibility	None known	
Hazardous decomposition As with all burning organic matter, carbon monoxide and other toxic fumes may be released		

## 11. Toxicological Information

Acute/Chronic Toxicity	Products bearing the CP Certified Products or AP Approved products seals of the Art and Creative
Carcinogenicity	Material's Institute are certified in a program of toxicological evaluation by a medical expert, subject to
Mutagenicity	review by the Institute's Toxicological Advisory Board to contain no materials in sufficient quantities
	to be toxic or injurious to humans or cause acute or chronic health problems. Conforms to ASTM D-4236

#### 12. Ecological Information

This product has not been evaluated for overall environmental effects

#### 13. Disposal Considerations

Contain and place in approved container. Dispose of per Local, State, and Federal regulations

14. Transportation Information				
DOT Classification TDG Classsification ADR/RID Classification	Not regulated Not regulated Not regulated	(Canada)	UN/NA Number IMO/IMDG Classification ICAO/IATA Classification	e e e e e e e e e e e e e e e e e e e
15 Regulatory Information				

#### 15. Regulatory Information

OSHA Hazard Communication Status	This product is not considered to be a hazardous substance under OSHA's
	Federal Hazard Communication Standard 29 CFR 1910.1200
<b>Toxic Substances Control Act (TSCA) Status</b>	All ingredients of this material has been reported to the US EPA and are
	included in the TSCA inventory
