

Find the right fit with McKesson Surgical Gloves

At McKesson Medical-Surgical, we understand that today's ambulatory surgery center and physician office settings have unique business and product needs. That's why we offer a wide variety of quality, cost-effective products within our own McKesson Brands portfolio, including surgical gloves. Our selection of surgical gloves features the tactile sensitivity and dexterity you want in a glove, while offering the protection you need.

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit within 12 months from the purchase date. McKesson Brands' satisfaction guarantee is limited to products purchased directly from McKesson. If a McKesson Brands product is not purchased directly from McKesson, any return request or request for refund must be directed to the selling party.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them — making it even easier for you to provide the best care for your patients.
