

Needles and Syringes

When comfort, quality and performance are critical, choose from the McKesson Brands portfolio of products. Our sharp needles are tri-beveled with stainless steel walls for ease of penetration. Our needles are also color-coded by gauge size for convenient and rapid identification.

Features and Benefits

- Syringes feature transparent barrels with graduations that allow for accurate filling
- Secure backstop to prevent accidental plunger withdrawal
- Tamper-evident peel packs result in minimal waste disposal
- Not made with natural rubber latex

IMPORTANT SAFETY INFORMATION

1 Ensure needle is secured to syringe by twisting needle protector clockwise.

2 To avoid needle damage, pull needle protector straight off.

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them—making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources. All product claims and specifications are those of the product suppliers and have not been independently verified by McKesson Medical-Surgical or its affiliates ("McKesson"). McKesson is not responsible for errors or omissions in the product information.

The properties of a product may change or be inaccurate following the posting or printing of the product information in the document, either in the print or online version. Caution should be exercised when using or purchasing any products from McKesson's online or print documents by closely examining the product packaging and the labeling prior to use.

Due to product changes, information listed in this document is subject to change without notice. This information is placed solely for your convenience in ordering and McKesson disclaims all responsibility for its completeness and accuracy, whether or not the inaccuracy or incompleteness is due to fault or error by McKesson.
