

Wheelchairs

McKesson wheelchairs are ideal for patients who have difficulty walking due to illness, injury or disability. McKesson offers a comprehensive selection of wheelchairs that promote patient independence, improve mobility and enhance quality of life. With durable construction, easy-to-adjust footrests and lightweight, easy-to-clean upholstery, McKesson wheelchairs provide long-lasting performance and comfort. Dual axle options provide easy transitions to hemi-level seat height to allow users to propel the wheelchair with their feet. Choose a McKesson wheelchair based on arm style, footrest preferences, reclining options, size and weight capacity.

Features and Benefits

Standard Wheelchairs

- Carbon steel frame with a textured, silver-vein finish for enhanced visual appeal and ease of maintenance
- Embossed vinyl upholstery is durable, lightweight, attractive and easy-to-clean
- Urethane tires are mounted on composite wheels to provide durability and a smooth ride over most surfaces
- 8-inch front casters are adjustable in three positions
- Convenient carry pouch for transporting personal items
- Not made with natural rubber latex

Lightweight Wheelchairs

- Carbon steel frame with a textured, silver-vein finish for enhanced visual appeal and ease of maintenance
- Nylon upholstery is lightweight, and breathable for user's lasting comfort
- Urethane tires are mounted on mag-style, composite wheels to provide durability and a smooth ride over most surfaces
- Precision-sealed wheel bearings in front and rear ensure long-lasting performance and reliability
- 8-inch front caster wheels provide a smooth ride over most surfaces
- Flipback attachable armrests for patient comfort and easy transfer
- Not made with natural rubber latex

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them—making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources. All product claims and specifications are those of the product suppliers and have not been independently verified by McKesson Medical-Surgical or its affiliates ("McKesson"). McKesson is not responsible for errors or omissions in the product information.

The properties of a product may change or be inaccurate following the posting or printing of the product information in the document, either in the print or online version. Caution should be exercised when using or purchasing any products from McKesson's online or print documents by closely examining the product packaging and the labeling prior to use.

Due to product changes, information listed in this document is subject to change without notice.
