

Urinals

McKesson urinals are designed for individuals with limited mobility who have difficulty getting to the bathroom. McKesson urinals have an ergonomic shape that provides convenient ease of use and prevents spills. These high-capacity urinals are lightweight, portable, durable and easy to clean.

Features and Benefits

- Lightweight, durable and easy-to-clean plastic construction
- Graduated for easy-to-read volume measurements
- Grip handle allows for angled use
- The male urinal features a convenient lid to control odors and prevent spills
- Packaged for retail use
- For single patient use
- Not made with natural latex
