

Premium Ear Loop Procedure Masks

McKesson premium ear loop procedure masks are ideal for procedures where fluid, spray and/or aerosols are present. The masks are designed with Secure Fit™ Technology that features aluminum strips both above the nose and below the chin. This design enables the mask to conform to most face sizes and shapes and reduces gapping at the top, bottom and sides to provide a better fit.

Features and Benefits

- Pleated style with earloops
- Designed with Secure Fit™ Technology that features aluminum strips both above the nose and below the chin
- Spunbond outerlayer material helps provide protection against fluids
- Extra-long aluminum nose piece forms a strong seal for increased protection
- Single use only
- Not made with natural rubber latex

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.
