

California Prop 65 Statement

To whom it may concern:

August 6, 2018

DARCO International, Inc. does not currently either manufacture or import any chemical substances on their own or in articles (products) in violation of California Prop 65. In addition, DARCO International, Inc. products do not contain chemical substances intended to be released during the normal and reasonably foreseeable conditions of the product's use as defined by the current California Prop 65 regulation and existing guidance.

DARCO International, Inc. does however realize that under California Prop 65, there is an obligation to ensure that articles do not contain any of the substances on the California Prop 65 list. DARCO International, Inc. will monitor the California Prop 65 list periodically for comparison to the materials list in the product. Should there be either an addition to the California Prop 65 list, a change in the composition of DARCO International, Inc. product or any changes that would require registration under California Prop 65 guidelines, DARCO International, Inc. will immediately comply with the applicable rule.
