

## Disposable Paper Products

The McKesson Disposable Paper Products offering features disposable capes, drapes, gowns, towels and pillowcases. Our products are made from high quality paper that provides optimal barrier and infection control. Our table paper is available in Crepe, Smooth, and Poly-Perf® finishes in a number of lengths and widths to fit the needs of your facility. Table paper is a critical item in any facility or practice and quality table paper can help protect both the patient and the table. Smooth finish table paper is made from a high-quality pulp to ensure strength and a whiter, brighter appearance. Crepe finish table paper is textured to provide you with additional softness and quietness. Poly-Perf® table paper features poly-backing that protects both the patient and table.

### Features and Benefits

- Features excellent absorbency, strength and reliability
- A wide array of materials, sizes and styles available
- Exam gowns are designed to provide privacy and protect against fluid strike-through
- Procedure towels feature a unique embossed pattern to help capture and retain fluid
- Available in fun designs for pediatric offices
- Not made with natural rubber latex

#### Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

#### Never Compromise on Care<sup>SM</sup>

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them – making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources.
