

McKESSON

PREVENT[®] HT

Winged Safety Blood Collection Sets, Hinged

McKesson Prevent[®] HT winged safety blood collection sets have been designed to help clinicians deliver medical care to their patients while maintaining a sharps safety regimen. Prevent[®] HT winged safety blood collection sets have soft, flexible, interlocking wings that readily conform to body's contour. The needles are bonded to the wings for less risk of vessel damage or occlusion of the lumen. The coil-resistant tubing reduces recoil during use. The sets are not made with natural rubber latex free and DEHP-free.

FEATURES AND BENEFITS

- Can be operated with one hand and requires minimal steps for activation
- Built-in safety device
- Confirmation that needle is securely locked
- No change in needle insertion technique required
- DEHP-free
- Not made with natural rubber latex

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them—making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources. All product claims and specifications are those of the product suppliers and have not been independently verified by McKesson Medical-Surgical or its affiliates ("McKesson"). McKesson is not responsible for errors or omissions in the product information.

The properties of a product may change or be inaccurate following the posting or printing of the product information in the document, either in the print or online version. Caution should be exercised when using or purchasing any products from McKesson's online or print documents by closely examining the product packaging and the labeling prior to use.

Due to product changes, information listed in this document is subject to change without notice. This information is placed solely for your convenience in ordering and McKesson disclaims all responsibility for its completeness and accuracy, whether or not the inaccuracy or incompleteness is due to fault or error by McKesson.
