Product AT USE DILUTION Name

First aid measures

Product AS SOLD

Eye contact Skin contact

: Rinse with water for a few minutes. : Get medical attention if symptoms appear.

Inhalation

: No special measures required. Treat symptomatically

Ingestion

: Get medical attention if symptoms occur.

Product AT USE DILUTION Product is sold ready to use.

Fire-fighting measures

Product AS SOLD

Instructions

for fire-flahters

Hazardous thermal

Fire-fighting media and

decomposition products

Special protective equipment

: Decomposition products may include the following materials:

carbon dioxide

carbon monoxide

: Use an extinguishing agent suitable for the surrounding fire.

Dike area of fire to prevent runoff.

In a fire or if heated, a pressure increase will occur and the container may burst.

Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure

6. Accidental release measures

Product AS SOLD

Personal precautions

precautions

cleaning up

: No special measures required

Environmental

: Avoid contact of large amounts of spilled material and

runoff with soil and surface waterways. Methods for

: Absorb with an inert material. Use a water rinse for final clean-up.

Handling and storage

Handling

Product AS SOLD : Wash hands after handling.

Storage

: Keep out of reach of children. Store in a closed

container.

Store between the following temperatures: -5 and

Exposure controls/personal protection
