

## Plastic Cups

McKesson Plastic Cups are designed to hold cold beverages for any occasion. Shatter-resistant material makes them convenient to use, while double-sided wall edges help to maintain cup strength. Our plastic cups are a disposable, recyclable alternative to traditional glasses. Available in a range of sizes and colors.

### Features and Benefits

- Various sizes to accommodate office occasions
- Shatter-resistant for convenience and safety
- Available in translucent or blue plastic
- Not made with natural rubber latex
