

McKesson Paper Products

Quality product solutions for enhanced patient care.

At McKesson Medical-Surgical, we understand that providing quality patient care is one of your top priorities. That's why we offer a broad portfolio of products including table paper, exam gowns and capes, drapes, pillowcases and more – to help you enhance the quality of care with soft, comfortable paper products your patients will appreciate. In addition to comfort, our paper products also offer effective barrier protection for a more hygienic patient experience.

Within our paper product portfolio, we offer three product tiers to meet your needs:

Premium

Our highest
tier offering

McKesson

Our middle
tier offering

Basics

Our economy
tier offering

While product features and benefits within each tier may vary, all of our products offer the same or better quality than leading national brands at competitive prices, so you can feel confident in both the quality and cost of the products you choose.

Table Paper

Our table paper provides comfortable crepe or smooth surfaces, in widths that cover exam table sizes from pediatrics to bariatrics.

Features and Benefits

Premium:

- Our ultimate in both strength and softness
- Designed to provide maximum patient comfort and protection
- Embossed or creped material provides quiet softness for patients
- Poly-backing provides extra strength, leak-proof protection and reduced clean-up time
- Perforated options add convenience and neatness
- 99.9% protection against bacteria pass-through*

McKesson:

- Assortment of durable options
- Available in a variety of widths and roll lengths, as well as sheets
- Smooth or crepe materials – crepe provides added softness
- Adult and pediatric prints available for aesthetics and patient peace of mind
- 99.5% protection against bacteria pass-through*

Basics:

- Economic strength, comfort and convenience
- Reliable infection barrier protection
- 99% protection against bacteria pass-through*
