OUR MISSION

Customer Focus

Exceed customer expectations through a commitment to continuous improvement of our products and services.

Quality Products

Offer the marketplace a broad range of high quality, cost effective, and durable products of superior craftsmanship.

Organizational Excellence

Strive for excellence in all we do by fostering a participative, team based environment, which nurtures the active involvement of all members of the organization.

Marketplace Recognition

Earn the respect, admiration, and loyalty of our people, customers, and suppliers by treating them with dignity and respect, embracing diversity, and developing and maintaining long term partnerships.

Collaborative Workplace

Encourage all employees to work safely and efficiently, contribute innovative ideas, and personally benefit from the ongoing success of the company.

The logo for Blickman, featuring the word "BLICKMAN" in a bold, white, sans-serif font. The text is contained within a dark blue rectangular box with a thin white border. The box has a slight 3D effect with a lighter blue shadow on the right side.

THE BLICKMAN DIFFERENCE

- Whether chrome or stainless steel, our foot stools are high quality, durable, and safe.
- Every foot stool includes a non-slip rubber tread for secure footing and non-slip rubber tips on the stools' feet to secure floor placement.
- For heavy loads, some models include H-brace reinforcement.
- For additional user stability, some models include handrails.
- MR conditional options are also available.

Key Product Features

Foot Stools

One Step

8" HIGH FOOT STOOLS

Description: Our MR conditional approved Kent foot stools include one step 8" off the ground. They are industry standard, fully welded, stainless steel construction with non-slip rubber treads and feet tips. We offer two width sizes, 18" and 30". Depth is 12". Include a 41" tall handrail for additional support.
