

# Gentle Skin CLEANSER

FOR ALL SKIN TYPES

- *Clinically Proven Mild*
- *With Special Emollient*
- *Dermatologist Tested*

## CliniShield® Gentle Skin Cleanser

- Skin cleanser for general purpose use in situations where there is low risk for spread of infection.
- Dermatologist tested formula contains emollient to help reduce skin irritation and dryness.
- Formulated with a patented, special emollient to help reduce irritation from frequent handwashing.
- In skin patch testing, CliniShield® Gentle Skin Cleanser showed less irritation to the skin than 4 leading, non-antimicrobial skin cleansers in the health care market. The product also showed no signs of skin sensitization.
- Contains a pleasant, very appealing fragrance which does not linger on the skin after washing.

Stock #	Size	#/Case
64207	16 fl. oz. w/ pump	12 bottles/case
64206	1600 ml bottle	6 bottles/case

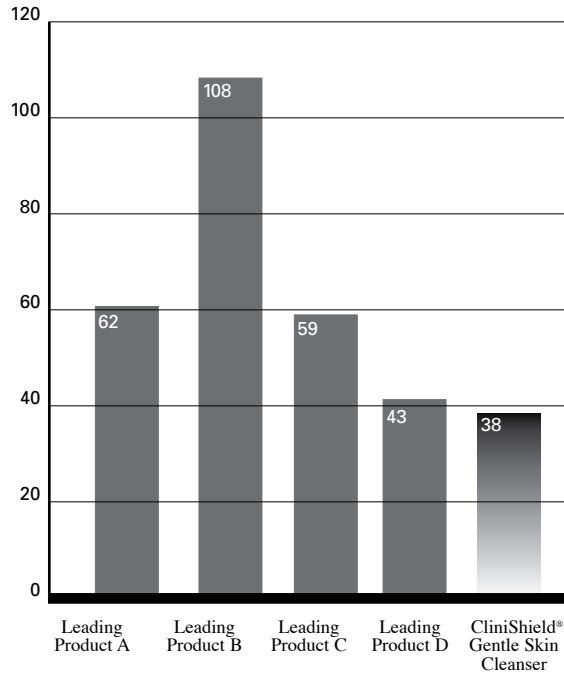

### Physical Properties:

Description: light green, clear liquid

Fragrance: pleasant, mild, non-lingering

pH: 5.0 - 6.0

Viscosity: 2,000 - 4,000

CliniShield® Gentle Skin Cleanser is clinically proven milder to the skin against 4 leading, non-antimicrobial skin cleansers in the health care market. This was demonstrated in the 21-Day Cumulative Irritation Test which demonstrates cumulative 21-day skin irritation potential on 25 human subjects.

**Relative Skin Irritation Scores:**  
0=No Irritation 120=High Irritation
