

Shampoo & BODY WASH

Tearless HAIR & BODY WASH

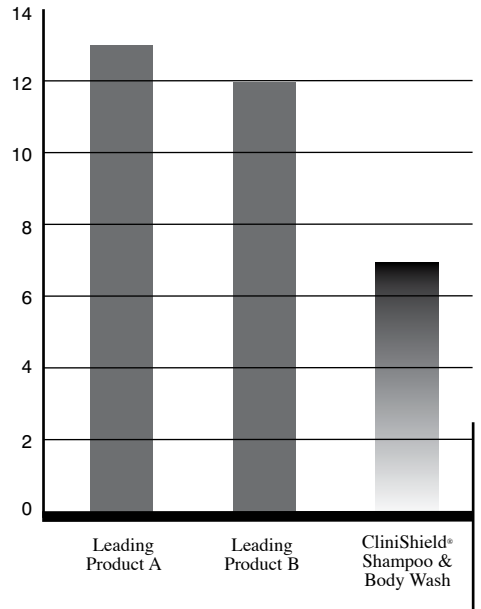

CliniShield® Shampoo & Body Wash*

- Gentle formula leaves skin feeling soft and smooth.
- Conditioner leaves hair feeling silky and tangle-free.
- Formulated to spread easily and rinse off quickly.
- Appealing, mild fragrance leaves skin smelling clean and fresh.
- Clinical skin patch testing demonstrated CliniShield® Shampoo and Body Wash to be milder to the skin than 2 leading shampoo and body washes for long-term care residents. The test method used was the Duhring Chamber Skin Patch Test which determines the relative skin irritation potential on 16 subjects.

Stock #	Size	#/Case
64406	12 fl. oz. press top (squeeze bottle)	12 bottles/case
30379	1600 ml bottle	6 bottles/case

Physical Properties:

Description: transparent, light blue liquid
 Fragrance: mild, fresh and clean
 pH: 5.0 - 6.0
 Viscosity: 2,000 - 4,000

CliniShield® Shampoo & Body Wash was clinically proven milder to the skin than 2 of the leading shampoo and body washes in the long-term care market. This was demonstrated in the Duhring Chamber Test which determines relative skin irritation potential on human subjects.

Relative Scores:
 0=No Irritation 14=High Irritation

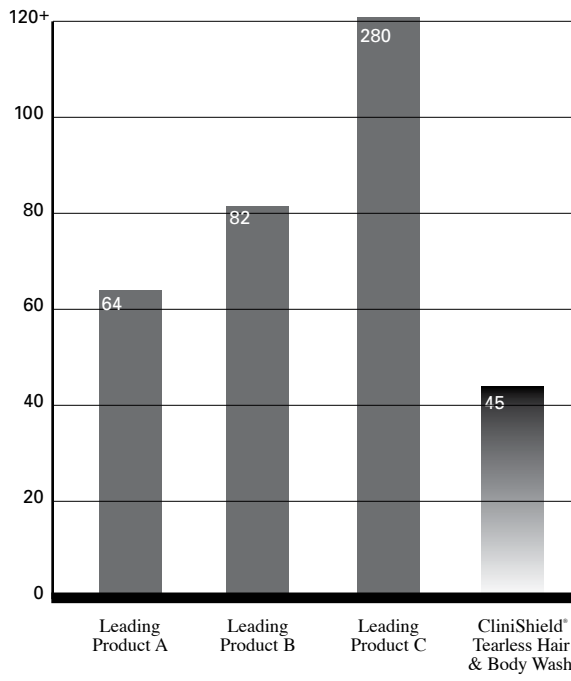

CliniShield® Tearless Hair & Body Wash*

- Exceptionally mild tearless shampoo and total body cleanser.
- For use in shower, tub or at bedside.
- Ideal for use on aging skin, hair and scalp.
- Dye-free product ensures low potential for skin sensitization.
- The potential for human eye irritation was evaluated by an independent laboratory in a test protocol, Human Eye Irritation Potential, with excellent results.
- In skin patch testing, CliniShield® Tearless Hair & Body Wash showed less irritation to the skin and less potential for skin sensitization than 3 of the leading hair and body cleansers in the health care market.

Stock #	Size	#/Case
64307	16 fl. oz. w/ pump	12 bottles/case
64306	1600 ml bottle	6 bottles/case
