

# the Cuff®

**Now available in kilograms**

- The clinic choice for more than 40 years
- Marked in kilograms with pound equivalents
- Color-coded for easy recognition
- Weight contours to snugly fit wrist, arm, ankle, and thigh
- Extra-long Velcro loop closure strap assures secure fit
- Extra-long Velcro hook fastening points prevent strap from dangling
- Grommeted for storage on any rack system (up to 5 kg weight only)
- Double stitching and heavy-duty materials make The Cuff® the long-lasting choice
