## Medline's Insulated Carafes – High Quality Construction and Limitless Designs

Customize this carafe with a photo, name, address, phone, logo and website of your hospital and it doubles as a smart advertising tool. Extra large print area allows your photo to cover 93% of the carafe.

Beautiful long-lasting, reproduction-quality photo withstands over 200 machine washings. Perfect for your patients to drink from directly or use as a pitcher for pouring. Easy-to-read graduations in both oz and cc/ml measures help to determine patient's fluid intake quickly. Secure grip handle coupled with light-weight design makes the carafe comfortable and easy-to-hold.

Durable polypropylene designed for optimum stability for less accidental tips. Hinged pour spouts snap closed for spill-proof protection. Removable sipping straw cap attachment prevents cap loss and pulls off for easy cleaning. Air-chamber design keeps liquids cold and prevents condensation, eliminating sweating. Recessed bottom prevents vacuum lock, making lifting effortless.
