

Room Turnovers

McKesson's room turnover kits are designed to reduce the risk of infection and improve turnover time. Suitable for the operating room, cath lab, endoscopy, cystoscopy, interventional radiology, labor and delivery, surgery centers and more.

Features and Benefits

Linen Kits/Table Sheets

- Provides three layers of protection:
 1. Quilted, breathable top layer allows for fluid absorption and minimizes wrinkling to help prevent skin breakdown and decubitus ulcer
 2. Strong concentration of super absorbent polymers (SAP) for maximum fluid control
 3. Impervious, antimicrobial backing helps prevent bacteria from colonizing on the linens¹
- Additional linens available: lift/draw sheet, arm board covers, head rest covers

Bags

- Heavy-duty bags for trash, soiled linens, recyclables and biohazard waste
- Infused with specially formulated resin to help prevent tears
- Available with drawtape for easy, secure closure

Mops

- Designed for use in the operating room to help provide higher absorbency and decrease lint
- Disposable to help prevent cross-contamination
- Made from 100% post-industrial material
- Mops available: rayon 12 oz., strip and microfiber (blue)

Satisfaction Guaranteed

If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

Never Compromise on CareSM

With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them—making it even easier for you to provide the best care for your patients.

The product information contained in this document, including the product images and additional product materials, was collected from various supplier sources. All product claims and specifications are those of the product suppliers and have not been independently verified by McKesson Medical-Surgical or its affiliates ("McKesson"). McKesson is not responsible for errors or omissions in the product information.

The properties of a product may change or be inaccurate following the posting or printing of the product information in the document, either in the print or online version. Caution should be exercised when using or purchasing any products from McKesson's online or print documents by closely examining the product packaging and the labeling prior to use.

Due to product changes, information listed in this document is subject to change without notice. This information is placed solely for your convenience in ordering and McKesson disclaims all responsibility for its completeness and accuracy, whether or not the inaccuracy or incompleteness is due to fault or error by McKesson.
