

Hygiene Dispensing Station

The McKesson hygiene dispensing station is ideal dispensing solution for items such as McKesson face masks, tissues, gloves, hand sanitizing gel or a wipe canister. The station is designed with a powder-coated aluminum that is impact-resistant and not affected by extremes in temperature. Ideal for use in public waiting areas, offices, lobbies and healthcare settings.

Features and Benefits

- Cover Your Cough (CYC) compliance kits used to organize and contain an assortment of personal protection equipment
- Quartz beige, powder-coated aluminum provides a clean, bright and attractive appearance
- Included floor stand features a square-based column and mounting top plate for dispensing station
- Included clear, vertical sign holder (8.5 x 11 inch) made of PETG plastic to display a variety of signs
- All required hardware included
- Not made with natural rubber latex
