

BOWMAN DISPENSERS GREEN INITIATIVE PLAN

BOWMAN's corporate accomplishments, directive and the fact that BOWMAN is approved by major corporations for Green Standards means;

1. BOWMAN has a corporate green initiative policy in place
2. BOWMAN is RoHS 2 2011/65/EU and REACH compliant.
3. BOWMAN has procedures in place to prevent the use of the prohibited substances.
4. BOWMAN has surveyed our company's environmental impact and have set goals and defined actions to reduce our impact
5. BOWMAN has procedures in place to audit our green initiative process and continue to set new targets as we meet our goals.

All of BOWMAN's products are recyclable. BOWMAN recycles packaging materials in-house and recycle our waste by Waste Management of Snohomish County Standards. All BOWMAN products and packaging are Proposition 65 Compliant. PVC and/or Latex is not knowingly or intentionally in our products or packaging except our Quick Reference Cards and products that are made from Sintra® plastic. Contact Customer Service for current product list.
