

PROTEKT® 500 LIFT

30500-PLHE | POWER PATIENT LIFT

The high-performance Proakt® 500 Lift is the perfect blend of form and function for safe and easy patient transfers. This electric-powered, high quality patient transfer system provides an efficient method to safely move patients, preventing patient and caregiver injuries. Designed with the facility in mind, the lift is capable of floor lifts and fits underneath most beds in the lowest position, making it the perfect solution for transferring patients in small rooms with low beds.

(Optional Scale Item # 30300-DSC)
